

# PORTABLE PRO POOL

## Item# F-004PPPB-AT1

The Portable Pro Pool Lift features a completely portable design, eliminating the need for anchors. The compact frame allows the lift to be transported from or around the pool area with ease. Simply wheel the lift to the poolside and it's ready to use.

It's stainless steel construction gives the Portable Pro Pool Lift a 350 pound weight capacity. This lift is the perfect portable solution for residential applications. It's exceptional mobility and aesthetics make the Portable Pro Pool a popular lift in international markets.
